Read: - Decision of the 127th meeting of Academic Council meeting held
on 30.04.2016

ORDER

In the 127th meeting of Academic Council held on 30.04.2016 a resolution was placed by Manju Mohan, M.Sc.Student, College of Horticulture, Vellanikkara. In the resolution it was stated that the revaluation results are not being published in time which causes much trouble to the students registering for their re-examination. The Academic Council discussed the matter in detail and take the following decision.

Normally the revaluation results are being published in time. However, in case when the publication of revaluation results are late, the students could be granted the highest marks they secured either in the revaluation or in their re exam.

In consonance with the decision of Academic Council, the following orders are issued. When the revaluation result publication is delayed beyond the date of registration of re-examination and the students who will get higher marks in the revaluation, the best marks will be taken.
